

GALVESTON BAY
FOUNDATION

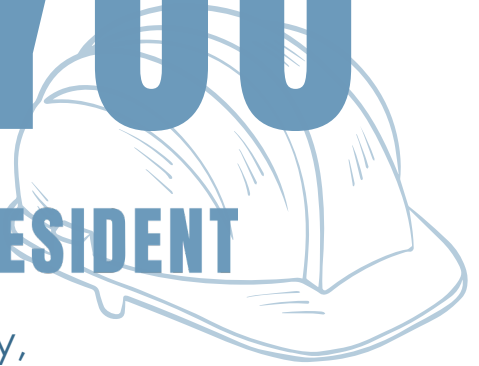

2024 ANNUAL REPORT

Our home is worth protecting.

THANK YOU

A LETTER FROM THE PRESIDENT

Dear Friends and Supporters of Galveston Bay,

I am filled with gratitude as I reflect on the remarkable success we had in 2024 with our collective efforts to protect and restore Galveston Bay. Thanks to your continued support, we have advanced vital conservation work, fostered strong community partnerships, and made meaningful strides toward a healthier, more resilient Galveston Bay. These achievements are a testament to the power of collaboration and your support.

We are excited about beginning construction of The Gessner Center, our new home on Galveston Bay where thousands of people will experience Galveston Bay firsthand. The Gessner Center is now slated to open in mid-2026. The work we've done this year is just the beginning, and with your continued partnership, we will keep pushing forward toward a brighter future.

Thank you for your loyal support. Together, we are creating a legacy of environmental stewardship for Galveston Bay. I look forward to what we will accomplish in 2025 and in the years to come.

With heartfelt appreciation,

A handwritten signature in black ink, reading "Bob Stokes".

Bob Stokes

President, Galveston Bay Foundation

THE GESSNER CENTER IS ALMOST HERE.

Construction has begun!

Our new headquarters is officially under construction! This state-of-the-art facility will serve as a hub for our work in preserving and protecting the Galveston Bay ecosystem and will provide access to Galveston Bay for thousands.

The center is designed to promote environmental stewardship, provide educational opportunities, and foster community engagement in conservation efforts. It will be a place for the community to gather and experience Galveston Bay firsthand for generations to come!

For more information or to support this ongoing project, please visit:

galvbayfoundation.org/thegessnercenter

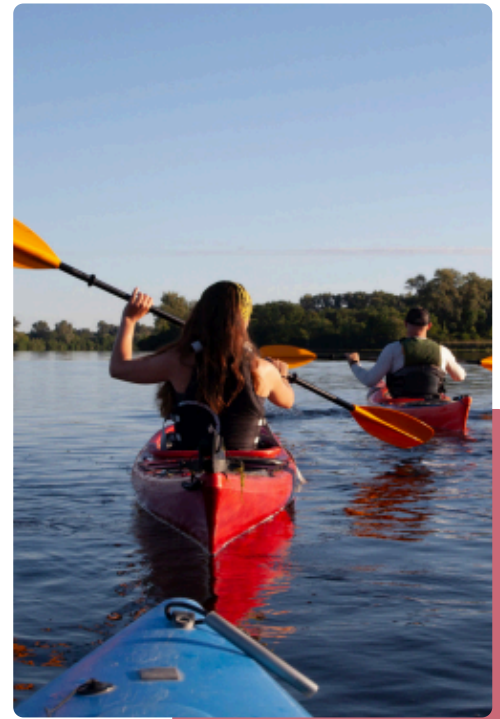

2024 Galveston Bay Foundation

EDUCATION

Galveston Bay Foundation's education programs allow students K-12 to connect to nature and become future stewards of the Bay through hands-on STEM curriculum.

88

» **classroom workshops** connected students to the Bay.

104

» **schools and organizations** partnered with our education team.

1,021

» **educators** were reached through our education programs.

15,018

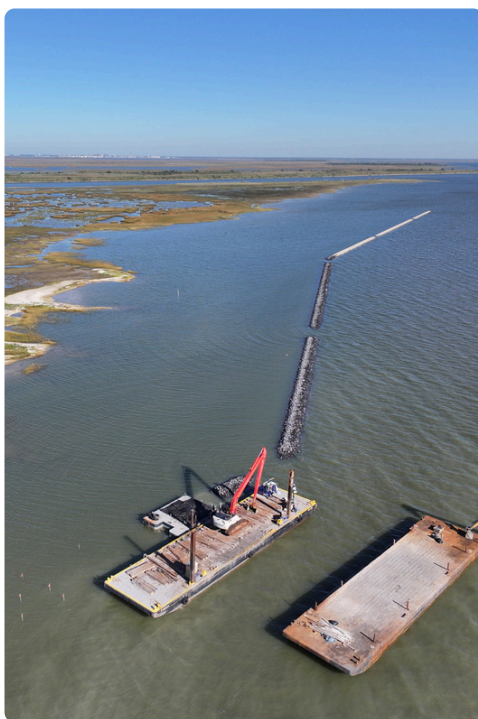

» **students** took part in our STEM learning experiences.

2024 Galveston Bay Foundation

HABITAT RESTORATION

Galveston Bay Foundation's habitat restoration programs protect and restore the Bay's natural resources.

~2

» **miles of shoreline protected** through ongoing projects.

75

» **acres of marsh restored** along with 40 linear feet of oyster reef.

233

» **tons of shucked shells were recycled** by our 39 restaurant partners.

5,070

» **oysters were recruited** by our oyster gardeners in Galveston Bay.

2024 Galveston Bay Foundation

LAND CONSERVATION

Galveston Bay Foundation's land conservation programs protect vital habitat in perpetuity.

420

» **acres of land protected**, bringing our total to ~17,609 acres.

6,987

» **native plants were planted at our Kemah Headquarters**, restoring 5.5 acres of coastal prairie.

472

» **acres of Chocolate Bay Preserve** were part of our first prescribed burn to remove invasive species and promote native growth.

5

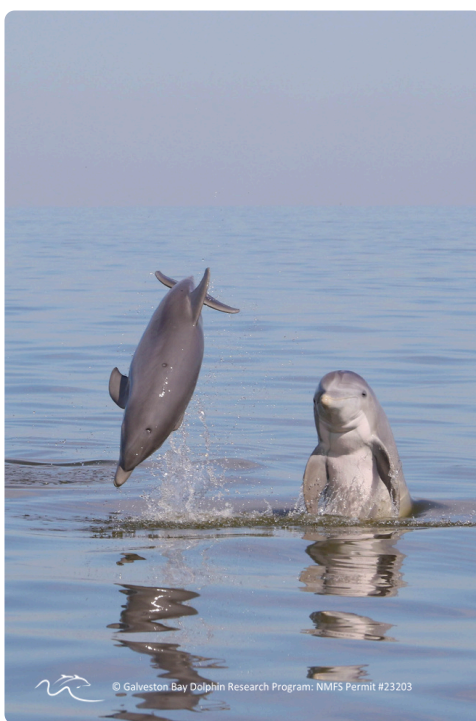

» **new land acquisitions**, including Edward's Point, Nissi LLC, Pine Gully, Salt Bayou, and West Galveston Bay Mitigation Bank.

2024 Galveston Bay Foundation

RESEARCH

The Galveston Bay Dolphin Research Program provides vital data to help understand dolphin activity and assess the health of the Bay.

10

» **year anniversary of the Galveston Bay Dolphin Research Program**, celebrating a decade of dolphin research in the Bay.

41

» **boat-based surveys conducted**, nearly double the amount conducted in 2023.

2,196

» **dolphins sighted** from our land-based Seawolf Park Research Station and boat-based surveys.

1,263

» **nautical miles surveyed in the Bay**, bringing our total distance surveyed to 11,555 nautical miles.

2024 Galveston Bay Foundation

WATER PROTECTION

Galveston Bay Foundation's water protection programs help protect the quality of Galveston Bay's water for all.

281

rain barrels were sold across 12 workshops, conserving 284,560 gallons of water (an increase over last year by 72,460 gallons).

441

water and bacteria samples (100 more than in 2023) were collected and analyzed across 34 sites (two more than last year).

4,771

plastic nurdles were removed from Galveston Bay's shorelines and surrounding areas across 38 marine debris surveys.

3,865

pieces of marine debris were cataloged from marine debris surveys, the most frequent find being plastic fragments.

12,424

pounds of marine debris was removed through community cleanups and events, like Trash Bash and Adopt-A-Beach.

2024 Galveston Bay Foundation

VOLUNTEERING

Galveston Bay Foundation's volunteers gain invaluable hands-on experience in environmental conservation and restoration while making an impact for Galveston Bay.

830

recurring volunteers gave 5,595 hours of their time to help us with programming, conservation work, and events.

1,378

one-time volunteers gave 5,709 hours of their time to help us out at annual events and community cleanups.

11,304

total volunteer hours, valued at \$374,630.86, were spent improving the health of Galveston Bay.

2,208

total volunteers made a difference for Galveston Bay in 2024.
