

Virtual Education Resources

Galveston Bay Foundation has numerous resources for educators and parents to use to enhance virtual and in-person learning. To view resources by topic, refer to the Galveston Bay Resources by Topic document found on the website (galvbay.org/education).

[At Home with the Bay video series](#): 15 minute YouTube videos about different bay related topics

- Includes a [google drive](#) folder with TEKS, worksheets for all videos and extension activities for high school.
- Also located in [NOAA's Resource Collection](#) (K-12th grade)

[Wonders of Wetlands Video](#): A 1-hour engaging video for young students (Pre-K-1st grade) to learn about the bay

- Request a private YouTube video link by emailing Cindy.
 - TEKS:
 - Kinder: 1A; 2A; 3AC; 4B; 5A; 7C; 9B; 10B
 - 1st Grade: 1A; 2A; 3BC; 7B; 9C; 10ACD

[Science of Galveston Bay curriculum](#): K-12 curriculum - many TEKS-aligned lessons can be adapted for virtual learning

[Educator professional development](#): GBF educators can run virtual teacher workshops for K-12 teachers over general bay science, special topics/current events, Science of Galveston Bay curriculum, and virtual resources.

- Teachers can receive CPE credit.
- Email Cindy for more information.
