Part II, Line 5 - Summarized Policy

Monitoring and inspections of conservation easements are conducted at least once per year via ground inspection by the Conservation Lands Manager or his appropriately trained designee. Enforcement of easements is conducted primarily through landowner education and relationship building, but GBF also carries legal insurance if litigation becomes necessary. All easements are monitored, inspected, and enforced.

Schedule D (Form 990) 2019

Part II, Line 9 - Organization Reporting Of Conservation Easements

Conservation easements represent rights to restrict the use, access, and development of certain properties. GBF monitors these easements in the normal course of its operations and associated costs are expensed as incurred. The Foundation receives gifts of conservation easements and grants toward the purchase of conservation easements, which represent numerous restrictions over the use and development of land not owned by the Foundation. The donated value of the conservation easements are recorded, based on the estimated appraised value, as revenue when received and estimated conservation easement expense is recorded for an equal amount. Easements are not reported as assets because the Foundation does not believe the easements represents a future economic benefit.

Part IV, Line 2b - Explanation Of Escrow Account Liability

GBF holds custodial funds pursuant to an agreement with another local nonprofit conservation entity for the purchase of undeveloped land. GBF will hold these funds until they are requested for disbursement for such purchase.

Part I, Line 2 - Procedures for Monitoring Use of Grants Funds in U.S.

Reimbursable grants issued to other conservation organizations require that organizations submit proof of expenditures and validity of expenditures to the Conservation Lands Manager. The Conservation Lands Manager reviews and approves the expenses, the CFO confirms that the records are complete, and then the Grants Billing Specialist issues payment. All grants paid up front require the receiving entity to provide weekly updates on the progress of the project and expenditures. A final report is due upon completion of the project which details the use of the funds and the project accomplishments.

Form 990, Part III, Line 4a - Program Service Accomplishments

Conservation programs work to preserve, protect, and restore important coastal habitats that provide critical ecosystem services and have suffered loss or degradation. Galveston Bay Foundation (GBF) works closely with numerous partners in land acquisition, land stewardship, habitat restoration, and habitat enhancement activities across the Bay. As an accredited land trust, GBF protects natural areas by acquiring real estate and partnering with landowners to establish conservation easements on private lands. Currently, GBF owns or holds over 8,000 acres of land for conservation purposes around Galveston Bay to ensure it is conserved in perpetuity. In 2019, GBF closed on three new conservation properties -- the 35-acre Angleton Prairie in Brazoria County and 3-acre Treasure Circle property in Galveston County, both through fee simple acquisition, and a 23-acre conservation easement at the San Jacinto Battleground in Harris County. Habitat restoration activities work to ensure healthy habitats for productive and sustainable populations of native species. Projects focus on shoreline protection; wetlands, oyster reef, and bird rookery restoration; and removal of marine debris. For its decades of contribution to the restoration of Galveston Bay wetlands, GBF received the 2019 Excellence in Ecological Restoration Award from the Texas Society for Ecological Restoration.

Form 990, Part III, Line 4b - Program Service Accomplishments

Education and outreach programs reach thousands of youth and adults each year. The goal of the program is to develop a knowledgeable constituency, ranging from school children to public officials, which recognizes the positive quality-of-life benefits that a healthy Galveston Bay system provides for the Houston-Galveston region. Youth-focused programs are offered both in the classroom and on the Bay and aim to cultivate life-long stewards of the Bay through environmental education experiences

outreach initiatives consist of campaigns and events aimed at increasing the public's awareness of the importance of Galveston Bay. Ongoing campaigns, such as the "Pump Don't Dump" and "Seafood Consumption Advisory" campaigns, continue to educate targeted segments of the population on various Bay issues of concern. GBF continues to host our annual signature education and outreach events, including the family friendly "Bay Day Festival," a one-day celebration of Galveston Bay, and the popular "Bike Around the Bay" two-day bike ride that showcases the natural beauty of Galveston Bay while aiming to raise awareness and encourage area citizens to appreciate and visit the Bay. We also offer rain barrel installation workshops and distribute rain barrels to the public.

Form 990, Part III, Line 4d - Other Program Services Description

Advocacy programs position GBF as the guardian of Galveston Bay. The goal is to encourage and actively seek solutions to conflicts among the diverse users of the Bay. GBF attempts to balance the multiple uses of Galveston Bay so that the long-term interests of the Bay itself are not compromised. Through initiatives such as the Galveston Bay Report Card (released in partnership with the Houston Advanced Research Center), the Galveston Bay Action Network (GBAN) pollution reporting app, and the volunteer Wetland Permit Review Committee, GBF provides tools to enable the public to take positive actions for Galveston Bay.

Form 990, Part VI, Line 11b - Form 990 Review Process

Form 990 is electronically distributed to the Board of Directors and is reviewed in detail with the finance and audit committee of the board prior to filing. The finance and audit committee reviews both the Form 990 and the independent annual audit and presents reports to the full Board of Directors.

Form 990, Part VI, Line 12c - Explanation of Monitoring and Enforcement of Conflicts

All board members and key employees are required to disclose any potential conflicts of interest and relationships via an annual disclosure statement and signed written conflict of interest policy. Management ensures that all board members and key employees complete and submit a signed disclosure and policy annually, and reviews the completed forms.
